ACCOMPANYING PROGRAMME AND VISITOR INFORMATION FOR THE EXHIBITION "KÖNIGSKLASSE IV. CONTEMPORARY ART IN HERRENCHIEMSEE PALACE"

KÖNIGSKUNDE 2019

"Königskunde", the successful art education programme developed for "Königsklasse", will resume the exhibition duration. Three young art educators will be on hand at all times, offering individual guided tours of the exhibition. They will invite visitors to engage in one-on-one discussions about the artworks, the collection, and the exhibition location.

KÖNIGLICHE RUHE (ROYAL TRANQUILITY)

Visitors to Königsklasse can explore the old and new palaces, as well as Herreninsel's tranquil spots, thanks to trails leading through meadows and shady forests and along the waterfront. The Schlosscafé offers visitors refreshments at a central location on the island. At the restaurant Schlosswirtschaft, situated above the lake directly at the pier, visitors can enjoy a meal while taking in the view of the surrounding mountains.
